## **NH DHHS COVID-19 Update – July 14, 2021**

**Concord, NH** – The New Hampshire Department of Health and Human Services (DHHS) has issued the following update on the new coronavirus, COVID-19.

On Wednesday, July 14, 2021, DHHS announced 46 new positive test results for COVID-19. Today's results include 24 people who tested positive by PCR test and 22 who tested positive by antigen test. There are now 213 current COVID-19 cases diagnosed in New Hampshire.

Several cases are still under investigation. Additional information from ongoing investigations will be incorporated into future COVID-19 updates. Of those with complete information, there are thirteen individuals under the age of 18 and the rest are adults with 52% being female and 48% being male. The new cases reside in Merrimack (7), Rockingham (7), Hillsborough County other than Manchester and Nashua (6), Coos (4), Cheshire (3), Strafford (3), Belknap (2), Grafton (2), Sullivan (2), and Carroll (1) counties, and in the cities of Nashua (3) and Manchester (2). The county of residence is being determined for four new cases.

There are currently 12 individuals hospitalized with COVID-19. In New Hampshire since the start of the pandemic, there have been a total of 99,840 cases of COVID-19 diagnosed.

**Current Situation in New Hampshire**  
**New Hampshire 2019 Novel Coronavirus (COVID-19) Summary Report**
